# DR. TRUE'S ELIXIR

As a reliable family tonic, in all complaints of the stomach, liver or bowels, especially constipation, Dr. True's Elixir stands without an equal; it is a pure vegetable compound with a wonderfully successful record since 1851. **Adults** as well as **children** are troubled with **worms**. The symptoms are: Indigestion, with a variable appetite; foul tongue, offensive breath, hard and full belly, with occasional gripings and pains about the naval; eyes heavy and dull, itching of the nose, short, dry cough; grinding of the teeth, starting during sleep; slow fever, and often in children, convulsions and bed wetting.

A few doses of Dr. True's Elixir will expel the worms if there are any; if not it acts as a gentle laxative tonic, clearing the stomach and bowels of all waste matter, leaving these organs sweet and clean—it increases the appetite, causing pure life-giving blood to flow through the body, thus invigorating the whole system with rugged, robust health. If taken regularly it will prevent coughs, colds, fevers and worms.

Sold by druggists, 50c, 60c, \$1.00. Write for booklet, "*Children and Their Diseases*."
